# Important information

---

## Carrying your tickets on board

Once you've boarded one of our services, your friendly driver will provide you with a valid ticket. Please keep this with you while travelling. If you're unable to show a valid ticket or travel pass when asked, you may need to pay the full fare or could face prosecution.

If you're a concessionary customer (under 22 or over 60), you'll no longer be issued with a paper ticket.

## Lost or stolen tickets

Remember to register your Stagecoach Smartcard online as soon as you get it, this means you can easily block your card and ensure you don't lose any day's travel. Contact our Smartcard Customer Service team, seven days per week 0345 810 1000\*, email [smart.contact@stagecoachbus.com](mailto:smart.contact@stagecoachbus.com)

\*Calls are charged at geographic rates (the same as 01/02 numbers) and are included in call packages from both landlines and mobiles

## Service disruptions and cancellations

We're unable to issue a refund for service disruptions and cancellations due to factors out with our control, such as road works, diversions, traffic congestion, major events, weather conditions and other unforeseen operating circumstances.

## Refunds

If your ticket has not been activated, it can be cancelled before expiry. These tickets will be refunded in full and no charges will apply.

Full details of our refund and cancellation policy can be viewed online [stagecoachbus.com/help-and-contact/tickets-and-refunds](https://www.stagecoachbus.com/help-and-contact/tickets-and-refunds)

## Animals

We love furry customers at Stagecoach. Guide dogs and assistance dogs can travel free at all times. Other dogs and small, well-behaved animals can travel for free with the driver's permission. If there are already two dogs on board, the driver may ask you to wait for the next bus. Please do not let your animals sit on the seats and we ask that any accidents are cleaned up.
