Thanks for picking up a copy of our timetable guide for Summer 2026!

As you will discover inside, getting around the Lake District by bus is easy. Take a break from driving and explore the outstanding scenery of this UNESCO World Heritage site from the best seat in the house.

Summer is a great time of year to discover everything the area has to offer. Whether it be a day trip or a longer holiday, our routes can take you to all of the best things to see and do. This guide is your essential companion for suggested outings, bus timetables and more. Why not also download our app (Stagecoach Bus) to track our buses in real time and purchase your tickets in advance?

Our Summer 2026 bus network for the Lakes is better than ever. Perhaps make use of our new 509 timetable and take a trip to my favourite lake, Ullswater. The majestic 7.3-mile ribbon of water flanked by the most impressive fells is in my opinion the hidden gem of the Lake District - a breath of fresh air for those seeking to avoid the hustle and bustle of some of its more well-known counterparts.

I hope you have a fantastic time, and we look forward to welcoming you on board.
