

We're making changes to some timetables on Sunday 4th June 2023

**Routes updated across Cambridgeshire
and Bedfordshire**

June 4th Service Change

Bedfordshire

Route 1

This service will continue to operate a 15 minute peak frequency Monday - Saturday but we will be making some timetable amendments to improve punctuality and reliability.

We will also be running according to an earlier start time Monday-Sunday.

Monday-Friday early morning service from Kempston will depart at 5:15, arriving in Bedford Bus Station at 5:44.

Multiple early journeys have been added on Saturdays and Sundays, please check the timetable for specific journey details.

Route 2

We will be making some amendments to the route within Bedford and will no longer be serving Elstow Road. We will now be serving Amptill Road and Elstow Park & Ride via Bedford Hospital.

Additionally, this service will now run on Sundays between Bedford Bus Station to Kempston Interchange via Elstow Park & Ride.

Please see the timetable for specific journey times and departures.

Route 3

This service will continue to operate a 30 minute peak frequency but slight timetable tweaks have been made to improve punctuality and reliability. Please check timetable for specific journey details.

Route 4

We will be making some small amendments to timetables to improve punctuality and reliability.

On Sundays, this service will leave earlier from Goldington at 9:00am arriving at Bedford Bus Station for 9:20am.

Service 5

This service will maintain its current 20 minute frequency with some timetable amendments to improve punctuality.

This service will run earlier journeys towards Elm Farm Industrial Estate Monday to Friday, and to Bedford Bus Station on Sundays. Please check the timetable for specific journey details.

Route 6

We will be making some small amendments to timetables to improve punctuality and reliability.

This journey will run earlier on Sundays. For specific journey details, please check the timetable.

Route 7

This service will continue to operate a 30 minute peak frequency but slight timetable tweaks and departure times have been made to improve punctuality and reliability.

This journey will run earlier on Sundays. For specific journey details, please check the timetable.

Route 8 & new 8X

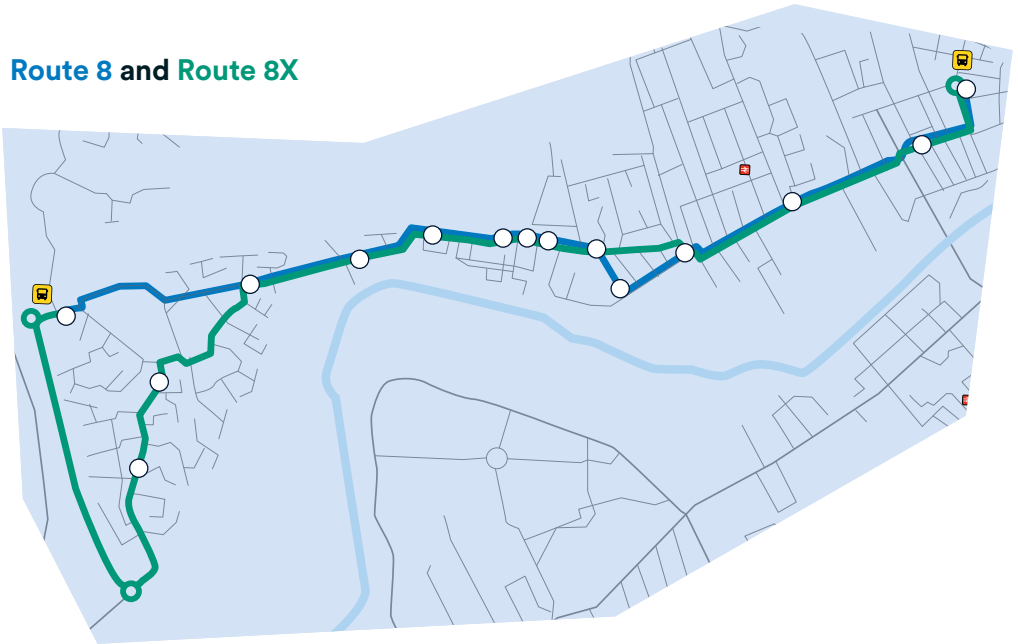

We will be making some amendments to this service and will be introducing a new direct 8X service.

Route 8 will now serve additional stops in Great Denham on King Alfred Way and Saxon Way.

The 8X route, offers a direct morning service via Ford End Road leaving Great Denham at 8:22am.

The services offer a combined 30 minute frequency between 7:52 and 8:52 Monday - Friday to benefit commuters using the service and 50 minute frequency off-peak. For full timetable and departure information, please check the timetable.

Route 8 and Route 8X

Route 9/9a/9b

We will be making tweaks to our timetables to improve punctuality.

The 9b will revert to the pre-October route, serving Amphill Road in Shefford and Stockbridge Road in Clifton. The 9a will continue on it's current route.

For full timetable and departure information, please check the timetable.

**In Shortstown
Route 9**

Route 10

We will be making some small amendments to timetables to improve punctuality and reliability.

This service will run earlier on Sundays. For specific journey details.

Please check the timetable.

Route 41

Due to new short - term local authority funding, we will be enhancing this service!

All journeys will now serve Northampton every 2 hours Monday – Saturday.

Service 51

We will be making some timetable amendments to improve punctuality.

Please check the timetable for specific journey details.

Service 53

We will be making some timetable amendments to improve punctuality.

Please check the timetable for specific journey details.

Service 905

We will be making some tweaks to our 905 service to improve punctuality.

On Saturdays, we will be running hourly on morning journey until 9:25, when the service will then run a peak frequency of 30 minutes.

Please check the timetable for specific journey details.

Service X5

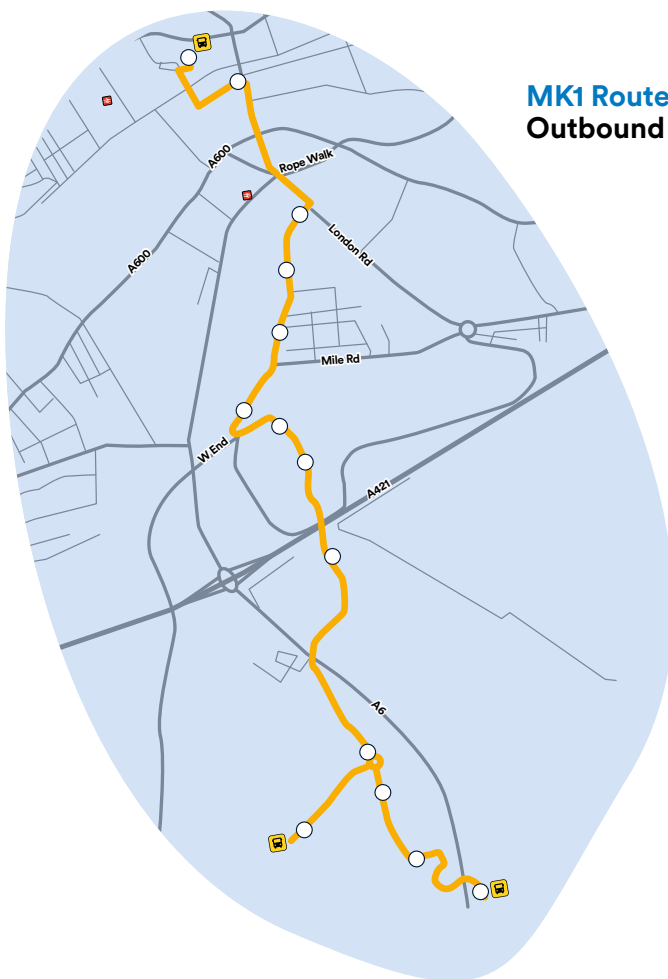

We will be making some timetable amendments to improve punctuality.

Please check the timetable for specific journey details.

Service MK1

The MK1 service will now serve Elstow Road in Bedford and Elstow Village. This service will additionally serve Milton Keynes Hospital.

Monday- Saturday, an additional morning journey has been added towards Bedford. This journey will depart Luton Interchange at 7:14am and arrive at Bedford Bus Station at 8:25am. We will also be making amendments to our timetable to improve punctuality. Please check timetables for specific journey information before travelling

MK1 Route
Outbound from Bedford

June 4th Service Change

Cambridgeshire

Citi 1

Our Citi 1 service will run according to a new 12 minute peak frequency from Monday to Saturday to combat congestion and improve the service's punctuality.

Citi 2

We are making changes to the Citi 2 timetable in order to combat congestion and improve the service's punctuality between Cambridge City centre and Chesterton High Street.

Additional short journeys will be added between Milton Village, P&R and Cambridge North Station. Please check the timetable for specific journey details.

Service 3

We will be making some timetable amendments to improve punctuality. Due to low passenger numbers, this service will no longer serve Waterbeach and on Sundays the last 3 outbound journeys will now finish in Fison Road. Please check the timetable for specific journey details.

Service 4/4a

We will be introducing a new 4a service between Cambourne and Cambridge via Cambridge Regional College. This new service will run once a day at 06:53 Monday- Friday to provide additional capacity into the city centre.

Service 6

We will be making some timetable amendments to improve punctuality. Please check the timetable for specific journey details.

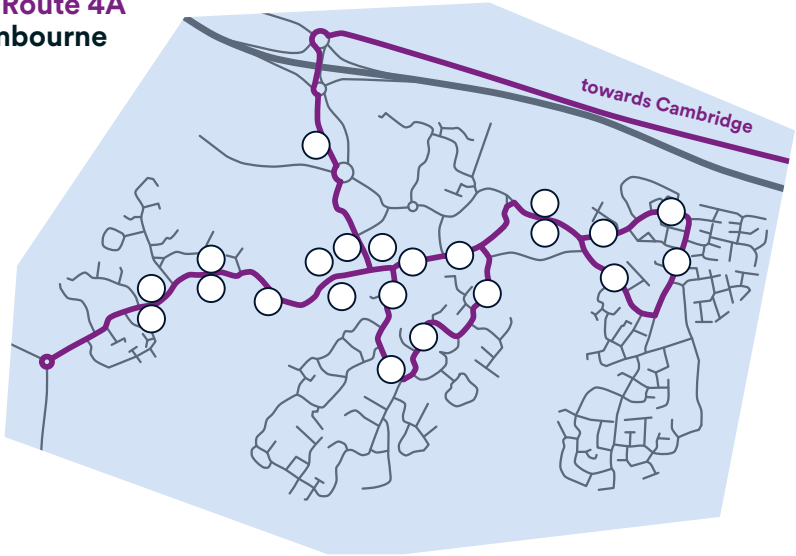

Service F

We will be introducing a new F service from Fenstanton to St Ives Morrisons, via St Ives Town Centre.

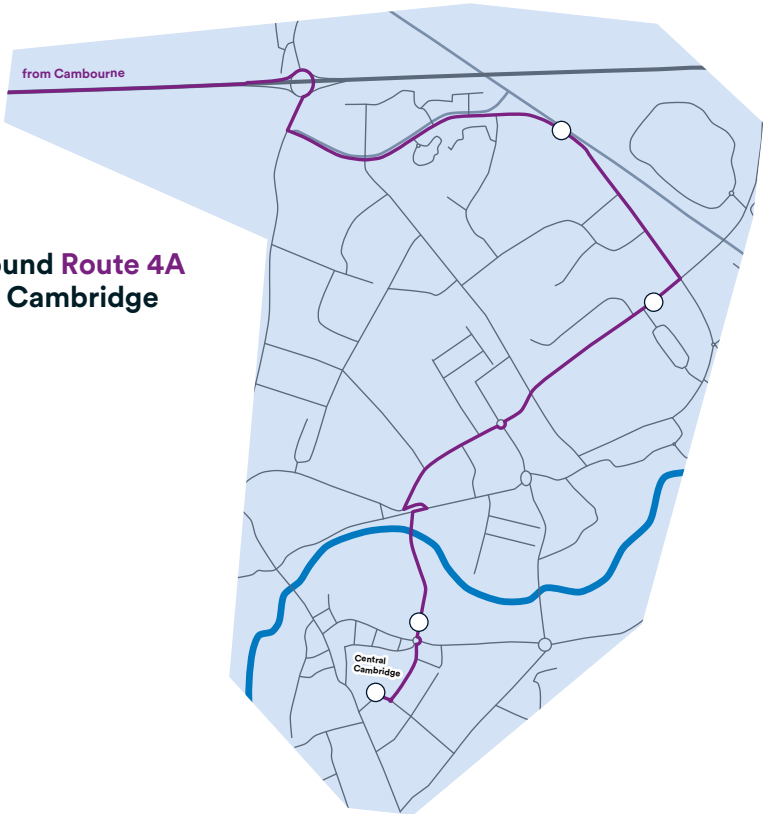

There are 6 journeys departing from Fenstanton on Mondays to Fridays and 5 on a Saturday (between 4:20am and 6:50am).

This is an outbound only service, meaning there will be no return journeys from St Ives to Fenstanton. Please check the timetable for specific journey details.

Outbound Route 4A
within Cambourne

Outbound Route 4A
within Cambridge

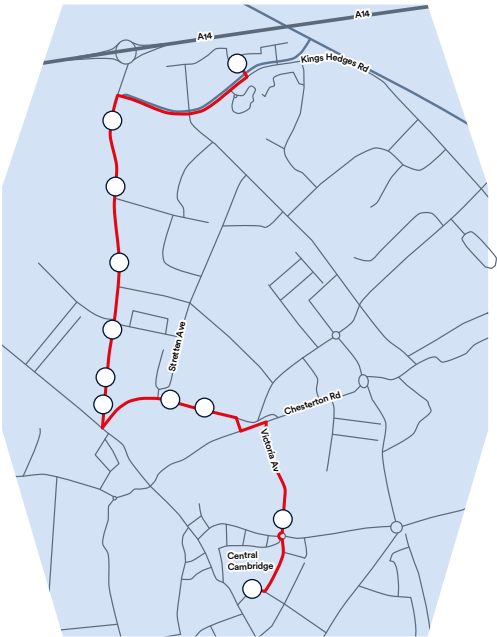

Route 8

We will run one additional journey in each direction to improve this service. We will be adding an inbound journey at 06:46 and an outbound journey at 18:15 which will finish in Rampton.

New 8a

We will be running a new service between Orchard Park and Cambridge via Histon Road. This service will provide a 30 minute frequency Monday – Saturday in both directions. This service will help passengers boarding at Orchard Park with capacity issues on the Busway A, and, is similar to the old 8H route.

**Route 8 towards
Cambridge**

**Route 8a towards
Orchard Park**

Route X9

We will be introducing a new X9 service between Cambridge North Station and Littleport every Monday – Saturday. Please check the timetable for specific journey details.

Route 13 & 131

We will be making amendments to the 13 & 131 routes. The services will no longer serve The Fox and will instead operate in a loop on Ann Suckling Road Mondays to Saturdays.

Service X13

This service will run an additional morning journey at 6:15am from Addenbrookes to Haverhill Monday to Friday.

Service 16A

This service will no longer serve Drummer Street, this will instead depart from Emmanuel Street stop E1 in Cambridge City Centre.

Newmarket P&R

We will be running an additional trip from the city centre to Newmarket P&R Monday-Saturday at 18:00.

Babraham P&R

We will be making some timetable amendments to improve punctuality. Please check the timetable for specific journey details.
