

# We will be making alterations to some of our **Cambridgeshire**, **Peterborough** and **Busway** timetables from **Sunday 24th October 2021**

Like many transport operators across the UK, we are facing a short-term staffing situation that is out of our control due to external factors. Our team are doing a fantastic job in the circumstances, and we are working hard to get the new drivers who are in our training pipeline on the road as soon as possible. We would like to thank all of our passengers for their patience as we deal with this.

As a result, we are implementing changes to some of our timetables from Sunday 24 October.
