From Monday 4 November 2024 - more journeys via Melkridge and extra Sunday trips!

To improve punctuality and reliability we are making a number of timetable changes and following customer requests, all journeys will now travel through Melkridge once again.

To avoid vehicles passing at the narrowest point, all eastbound journeys will now run from Haltwhistle to Bardon Mill via Whitcheater, Melkridge, Henshaw and Redburn, avoiding the A69 completely. All westbound journeys will run from Bardon Mill via Redburn and Henshaw, rejoining the A69 at the junction with Hardriding Farm and then returning to the western end of Melkridge via Whitcheater to Haltwhistle.

Working in partnership with Northumberland County we are introducing an increased hourly Sunday daytime service from Newcastle to Carlisle on Service 685, and you will no longer have to change buses at Hexham. These extra trips are delivered by Stagecoach, with funding provided by HM Government's Bus Service Improvement Plan (BSIP).

Key

-  There is no need to change buses as the same bus travels all the way through.
-  This connection is guaranteed and through fares are available, but you will need to change bus.
 - Stop not served

This journey commences from Denton Burn at 0543

Continued

From Monday 4 November 2024 - more journeys via Melkridge and extra Sunday trips!

To improve punctuality and reliability we are making a number of timetable changes and following customer requests, all journeys will now travel through Melkridge once again.

To avoid vehicles passing at the narrowest point, all eastbound journeys will now run from Haltwhistle to Bardon Mill via Whitcheater, Melkridge, Henshaw and Redburn, avoiding the A69 completely. All westbound journeys will run from Bardon Mill via Redburn and Henshaw, rejoining the A69 at the junction with Hardriding Farm and then returning to the western end of Melkridge via Whitcheater to Haltwhistle.

Working in partnership with Northumberland County we are introducing an increased hourly Sunday daytime service from Newcastle to Carlisle on Service 685, and you will no longer have to change buses at Hexham. These extra trips are delivered by Stagecoach, with funding provided by HM Government's Bus Service Improvement Plan (BSIP).

Key

There is no need to change buses as the same bus travels all the way through.

This connection is guaranteed and through fares are available, but you will need to change bus.

Stop not served
