**Changes to Service X63
from Monday 23 March 2026**

On Blackett Street, Service X63 buses are revised to observe the bus stop directly outside Greggs. This will provide customers with more waiting area. (Services 62 and 63 are moving to the bus stop immediately to the east of the zebra crossing).

Due to worsening traffic conditions, the Monday to Friday peak time timetable is revised.

Morning journeys will operate slightly less frequently in order to allow buses more time to complete their trips, which will enable the remaining journeys to be more reliable.

Afternoon journeys are retimed to better reflect prevailing traffic conditions, but will continue to run up to every 20 minutes.

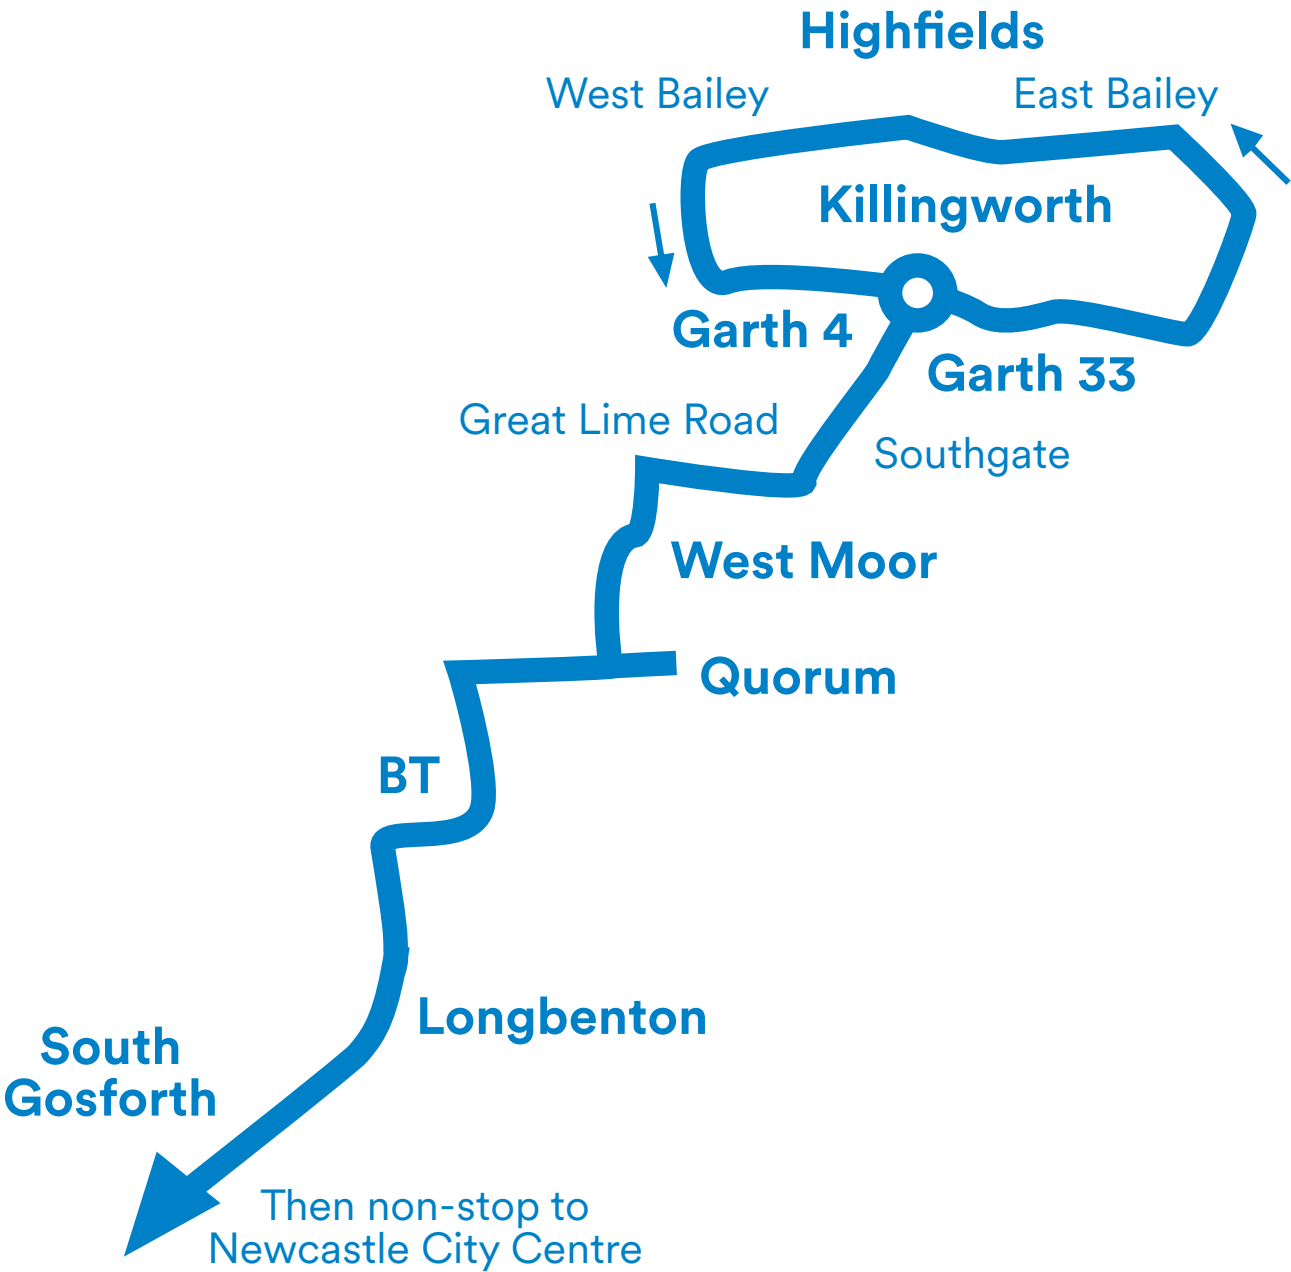

Weekday off peak journeys and Saturday buses continue unchanged, with buses running every 30 minutes during these periods.
