Changes to Services E1, E2 and E6 from Sunday 4 January 2026

Having been advised by South Tyneside Council that River Drive bridge (Heugh Street) had to be closed owing to urgent safety concerns in November, Service E1 had no option but to divert away from the area. We have now been advised that the closure will remain in place for the foreseeable future, and so Service E1 is to operate from South Shields Interchange via Keppel Street, Fowler Street, Winchester Street, Anderson Street, Ocean Road and then normal route towards Sunderland.

There are some minor timing changes to Service E1 departures from South Shields Interchange, however all other times remain unchanged.

Services E2 and E6 are unchanged.
